“ Maria was phenomenal! She answered every question, and completely took ownership of all the details so I can concentrate on my wedding day. She was very thorough and courteous, and answered all questions, and quite professional. Since the day, we have received feedback from everyone, and the feedback was consistent, on how organized and what a great time, everyone had. Way to go mystic blue! I have recommended you to several family members, already. Keep up the great work! ”

# Frequently Asked Questions

## Do we have a rehearsal before the wedding?

We typically do not do rehearsals since a Wedding Coordinator will be there the day of your wedding to direct everyone as to where they should go and when to walk. A rehearsal is not necessary.

## What is the dress attire?

For men, appropriate attire includes slacks and a polo or button down shirt. For women, nice slacks, Capri pants or a sundress is recommended. Although allowed, we strongly discourage collarless t-shirts, jeans, shorts or sneakers.

## How do the payments work?

We require an initial 25% deposit to secure your space. We will collect the balance 30 days prior to your wedding, based on the minimum requirement. At two weeks prior to the cruise, we will ask you if you have increased your amount, at which time we will collect the payment for those additional people. You may not reduce the contracted count, but can increase it, as long as the space is available.

## What form of payment is accepted?

We take all major credit cards, money orders and cashiers checks, however, we do not accept personal checks within 30 days prior to your wedding.

## Is my deposit refundable?

Your deposit is non-refundable because it takes away the ability for us to rent the space to another group.

## Will we be the only ones on the ship for our wedding?

There will likely be others on the ship during your event. The ship is laid out in a manner that each level can be rented privately. The outside decks are accessible from each floor. Similar to a hotel or function hall, there may be other functions in other rooms but your event is private to you and your guests. Each floor is equipped with private restrooms, entertainment, bar, dance floors (larger levels) and exclusive staff.

## Will our ceremony be private?

The ceremony takes place on our sky deck (weather permitting) at the dock, before anyone else boards, so it is private to you and your guests.

## What happens if the weather is bad?

The ship is built for this type of cruising. Rain does not affect our cruising schedule, however, high winds may prevent us from cruising outside of the break wall.

## What about sea sickness?

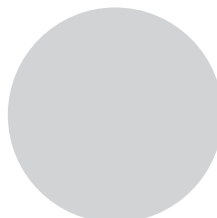

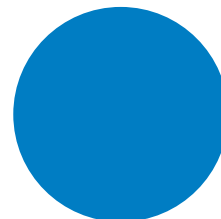

The ship has a flat bottom and does not create the same pitch as an open ocean vessel. She is built for cruising in calm waters, such as Lake Michigan.

## Is parking easily accessible?

Primary public parking is located in an 1800-space lot at Navy Pier, directly across from Mystic Blue. For pricing call Navy Pier at 312-595-5038. Additional parking lots are available within a few blocks. Visit [MysticBlueCruises.com](http://MysticBlueCruises.com) for details.

“The guests were thoroughly impressed as was Mike and I. The food was plentiful and nothing is more beautiful the Chicago skyline on a crystal clear afternoon. So all in all...the day was wonderful. Thanks again for all your assistance. We will always remember this afternoon.”
