SPIRIT
OF NORFOLK

FREQUENTLY ASKED *Questions*

WILL MY RECEPTION BE PRIVATE?

The Spirit of Norfolk holds 410 passengers, seating 244 on our first deck and 166 on our second. We can accommodate your reception whether it's a cozy gathering of your closest friends and relatives or a gala with everyone you know.

WE OFFER THE FOLLOWING OPTIONS:

Private Reception

You and your guests will privately enjoy an entire deck. Minimum passenger counts apply.

Shared Reception

Your reception will have seating apart from other guests on a deck. Additional dockside time is available for private traditional wedding events.

MAY WE BRING ADDITIONAL DECORATIONS ABOARD THE SHIP?

The Spirit of Norfolk has the ambience and décor that makes additional decorations a choice, not a necessity. However, if you do choose to bring additional decorations, you may board 30-45 minutes early for set up. We are completely flexible with all decorations excluding real candles, confetti and sand directly on the table top.

CAN WE BRING OUR OWN CAKE?

Yes! And after you and your new spouse cut the first piece together, our staff will cut and serve the remainder of the cake to your guests while you enjoy your reception!

ARE WE ABLE TO REHEARSE THE CEREMONY?

Absolutely. You and your bridal party will be able to rehearse for 30 minutes prior to your wedding day.
