

Seadog[®]

at National Harbor
Maryland

2009

Group Pricing

Seadog is the most thrilling attraction to hit National Harbor. Listen to our captains bark out humorous and informative descriptions of historical landmarks and monuments while riding aboard this 70 ft. turbo-charged speedboat boasting two 900 horsepower engines. Jam to great tunes while exploring the famous Potomac River.

PERFECT FOR GROUPS!

Your group can either join one of our many departures from National Harbor or you can charter Seadog for a customized cruise.

Is your group looking for something really fun and exciting?

45-Minute Potomac River Speedboat and Sightseeing Tour: This tour combines an exciting speedboat ride along the river with informative and amusing descriptions and dozens of fascinating facts about Mount Vernon, Fort Washington, Jones Point Lighthouse and more.

70-Minute Monuments Tour: This fun and memorable 70-minute tour is your best choice for discovering the unique history and fun facts about Washington, D.C.'s most famous landmarks and monuments including the Washington Monument, the Jefferson Memorial and the Lincoln Memorial.

Group Charters: With a group charter, get the entire boat, all of the above, plus flexible timing. The Seadog speedboat will thrill your group with its thundering, turbo-charged V-12 engines. Seadog will seat up to 100 passengers.
