

Concierge Online Reservation Guide

Visit: <https://www.seadogcruises.com/chicago>

Booking a Seadog Reservation Online:

1. Select BUY TICKETS (top right corner)
2. Select preferred tour and click next- you will add date later

If applicable, you may also use a promo code on this screen by clicking promotional code and entering the code (be sure to click the tour type first!)
3. The screen will now show the base pricing. Indicate the number of passengers (Adults/Children) and click next
4. Select date & time and click next
5. Click Confirm then checkout!
6. Now you see shipping method. These are the tickets! Click continue
7. Enter guest contact information including phone number (no spaces)
Click continue
8. Enter guest payment information. Click Order Review
9. Review Order. Check the Terms & Conditions box. Click "Complete Purchase" to book!
10. Wait for Confirmation page to load and note the reservation order!
Top left corner.

Either print tickets or view receipt.

DONE!

Guest will receive a Confirmation Email which they will show to the ticket booth with a Valid Photo ID when they arrive for their cruise.

To Claim Payout: Return to the webpage and click 'Payout Form' and fill out the required fields. You will need the reservation number to this complete.
